

# The Dinosaur Song

Words: Becki Driscoll

Tune: Based on Rock Around the Clock

*Swing*

Chorus

Verse

Last Chorus

This is a good song for lots of interaction and getting people up and moving. Make up new verses with the children by asking them to choose different things a dinosaur might do.

This could anything from roaring, jumping, flying, dancing, clapping - use your imagination!

This works nicely with a bit of "rock 'n roll" guitar accompaniment but works fine without any accompaniment too.
