LOTTERY FUNDED

After three years of construction, The Carpenter's Road Lock 2 in The Queen Elizabeth Olympic Park is opening and the Canal and River Trust will be celebrating with the East London Waterways Festival on Monday 28 August.

Newham Music is looking to recruit 200 young singers age 7-18 to work with local Choir Director, Luke Speirs, to perform throughout the day-long festival while also enjoying this celebration of East London culture and heritage. This is an excellent chance for young people to develop their singing skills, to experience a unique performance opportunity at a large-scale event and to make new friends within their local community.

There is no cost to participate and no experience necessary, just the willingness to learn and love for singing!

It is important that participants attend all four rehearsals at the times listed below.
