*Welcome to*

# *The Festival*

*2017*

Showcasing and celebrating the talents, skills and boundless enthusiasm of young people from across Northamptonshire, we are delighted this year to be hosting two evenings again, in response to demand from schools and arts groups from the county.

Without the dedication and support of schools, their staff, pupils and you, the audience, the festival could not take place. By working in partnership we are proud to bring you, the audience, a truly memorable experience which we hope will stay with you long into the future.

We are indebted to the Chief Executive and administrative staff at the **Northamptonshire Music and Performing Arts Trust** for their continued support and understanding.

Please could we remind you that filming and photography is not permitted in the auditorium. There will be an opportunity to purchase a DVD of the performance. An order form for the DVD can be found towards the back of this programme.

We are sure that you will have a memorable evening and thank you again for your support.

**The Grange School Daventry**

*We Are  
One*

We are the Grange School String Band and our KS2 choir, Harmony and together "We Are One" great sound. We are going to be performing "Land of the Silver Birch" a traditional Canadian folk song. It is in the Aeolian minor which makes it very suitable for our string group. The arrangement is based on a series of repetitive tunes which all fit together. This is followed by our favourite song "We Are One." This modern song speaks of the people in our lives and the memories we share together. Its chorus has two contrasting melodies which fit together to make us "One."

*Music:*

**Land of the Silver Birch  
Traditional Arr Sarah Watts.**
