

Want to help more kids make music in schools? Take our Make Music 2 Make Music challenge!

Pledge your support today. Or make a donation. Need campaign logos? Download our Supporter Pack.

What is the Make Music 2 Make Music challenge?

The Make Music 2 Make Music challenge is a campaign running in 2016, inviting performing musicians to simply make music at a gig or concert and pledge to donate 10% of their proceeds to Musical Futures. This could be any kind of gig such as a school concert, a pub gig, a tube busk or a YouTube broadcast. We invite musicians young or old, big or small to get involved.

What are we raising money for?

Musical Futures, are raising £40,000 to prioritise our work with 2,000 children at eight primary schools in the most deprived towns and cities in England. With your support, we will implement the Musical Futures approach in these schools through equipping them with instruments, training teachers and ensuring children of all backgrounds have an opportunity to benefit from music-making. Additionally, we will give each school one year of professional support beyond the campaign, the impact of which will be felt by its children for many years to come.

How do I pledge to take part?

Our Make Music 2 Make Music challenge is an opportunity for anybody who loves music to support others to make it. To take part simply:

1. Register your pledge for support using the Pledge Form below.
2. Download the [Supporter Pack](#) with easy-to-print campaign branding and details of how to pay your donation.
3. Put on your gig and rock out!
4. Tell others to put on their own gig.
5. Smile in the knowledge that you have helped more kids make music in school.

Who has already pledged?

You can view a map of current supporters of the campaign and further information on our [website](#).
