

What will Families gain from the project?

- * Makaton training and accreditation
- * Taster sessions to learn more about the project, try out instruments & connect with music leaders
- * Open sharing sessions & performances to watch and enjoy children's progress
- * Makaton You-Tube videos performed by the children, music leaders and MOP's team to enable children to continue learning at home.

How will the project be monitored?

Progress, improvements, changes and responses will be evidenced through ...

- * Video & Photographic
- * Music Leaders evaluations per session
- * Individual diaries on each child's responses
- * Informal group sharing sessions with Mop's Team
- * Group discussion/questionnaires with families

Kirsty Keogh (Music SENse) will be the evaluator for the project. Kirsty will gather data to compile termly reports, and a final report that will be shared with families and the wider community.
