

Lockdown Cheer up

By the Carousel House Band

While this goes on
Being sad, it's been along time
Everyone needs a cheer up once in a while
Feeling Some comfort

Having fun in lockdown
Skyping, video calling friends and family
Painting, Jazz songs
Bake off with grandma

Chorus:

Having fun at lockdown
Everyone needs a cheer up
Having fun at lockdown
Once in a while
Having fun at lockdown
Some comfort in our lives

Talking to friends and band mates
Smiling, laughing, excited
I like going to the beach to have an ice cream
Seeing my family in Brighton
Jumping singing dancing
Thinking about Butlins, Brighton theatre

I love going on my scooter
I like to scoot along the beach
Planting in some new plants in my garden
Brighton jazz music, Watching movie

It has been a long time
Happy and emotional seeing my family
Looking forward to seeing my boyfriend again
I love him

Chorus (x2)

Having fun at lockdown
Everyone needs a cheer up
Having fun at lockdown
Once in a while
Having fun at lockdown
Some comfort in our lives
